TEACHING KIDS TO BE SAFE ONLINE: Social Media, Cyber-Bullying, and Internet Safety

Presented by:

Dr. Holly Cabuhat & Adriana Escamilla

What every parent needs to know...

While the notion of bullying may not be new, the unique challenges technology and online activity presents to parents, educators, and students are often overwhelming. Discussion point will revolve around defining the need and providing practical suggestions for students and parents concerning safe & developmentally appropriate use of social media.
