Special Education Community Advisory Committee

Presents:

Preventing a Summer Slide

Presented by:

Kim Tredick
Student Support Services Director

This presentation is open to all parties interested in the welfare of children with special needs.

“Summer slide” is the tendency for students to lose some of the achievement gains they made during the previous school year. There can be a decline in reading ability and other academic skills over the summer months when school isn’t in session. Information, strategies, and resources will be shared to help educators and parents prevent a summer slide.

Location: Bridgeport Elementary
23670 Newhall Ranch Road
Santa Clarita, CA 91355
